

We are a team of former Frontex Standing Corps members dedicated to supporting our colleagues by creating an open line of communication within our unique community.

Our shared experiences and background have inspired us to build this platform as a mean of connecting and empowering each other as we navigate our respective journeys.

While our roots may be in Frontex, we are not affiliated with the agency in any informal or formal capacity, nor do we seek to represent or replace it.

Our aim is to make it easier for everyone to stay in touch, share experiences, and build a stronger sense of community.
